01 / WHO WE ARE

A considered approach to sourcing.

Based in Central Jakarta, Indonesia, PT THEWA GLOBAL INTERNATIONAL focuses on business-to-business trading and export inquiries for Indonesian essential oils.

Our business model combines trading and aggregation: identifying suitable supply from Indonesian producers and distillers around a buyer's requirements. Product selection, specifications and commercial terms form the starting point for each discussion.

BUSINESS FOCUS

Essential oils trading and export inquiries

CORE PRODUCT FOCUS

Citronella Oil and Patchouli Oil

OTHER SOURCING INQUIRIES

Clove Leaf Oil, Nutmeg Oil and Vetiver Oil.
Availability and suitability subject to confirmation.

LOCATION

Central Jakarta, Indonesia

02 / OUR DIRECTION

Relationships built on clarity.

OUR VISION

To build lasting connections between Indonesian
botanicals and international business.

Understand the requirement

Begin with the intended application, target specifications, quantity and destination.

Connect supply with purpose

Explore Indonesian sourcing options around the brief; confirm availability and suitability before agreement.

Make the next step clear

Define documentation and commercial expectations so both parties can make informed decisions.

OUR PRINCIPLES

Open communication. Requirements first. A long-term perspective.

03 / OUR OILS

Two botanicals. Your sourcing brief.

SERAI WANGI

Citronella Oil

NILAM

Patchouli Oil

WHAT TO INCLUDE IN YOUR PRODUCT INQUIRY

Product and intended application

Target composition, grade and acceptance criteria

Quantity and packaging preference

Sample, COA, SDS or testing requirements

Destination and preferred timeline

Other oils: Clove Leaf, Nutmeg and Vetiver are inquiry only. Botanical identity, extraction method, origin details and specifications must be confirmed for the proposed supply. No fixed grade, stock or packaging is implied.

04 / WORKING TOGETHER

From inquiry to agreement.

01 Share the brief

Tell us the product, specification, quantity, destination and preferred timing.

02 Review the proposal

Discuss availability, samples, documentation and quotation details.

03 Confirm the terms

Agree specifications, packaging, payment, delivery terms and responsibilities.

04 Plan the shipment

Coordinate agreed logistics and destination requirements before dispatch.

QUALITY & DOCUMENTATION

Samples, COA, SDS and any requested testing are subject to confirmation for the proposed supply. MOQ, prices and lead times are agreed individually.
